Built for pools by pool people!

- SIMPLE
- ALL-IN-ONE
- AFFORDABLE

Member Splash is the only suite of tools designed specifically for swim Clubs to manage Members, guests, events, party bookings and reservations.

## Only the things you need. None of the things you don't!

Member Splash consolidates all of the events that the Social Chair plans into one place. Get rid of billBoard calendars, spreadsheets, paper checks, printed forms and stacks of clutter! Our software pulls together events, sales, tickets, and reservations into one platform for easier use and tracking, all in one system. Whatever event that needs planning, we can help you.

## How does my Club benefit?

Summer at the pool should be full of fun, merriment and activities. Scheduling social events is time consuming and the last thing you want is for Members to miss out because it didn't get on the calendar. Our built in Events Calendars publicize the event for you! **"Are we having Friday Fun Night? YES, and it's blocked off for the main Club house!** When the Social Chair can point to one place to look at all of the events, nothing is missed and everyone has fun all summer long!

## When will the BBQ truck be at the pool this summer?

Put special events on the calendar and highlight them so that no one from your Club has to cook on Thursdays for the summer. You pool Members will thank you!

## Are we going to have movie night at the Pool?

You bet, one for each month the pool is open, just put it on the calendar when its arranged and forget about it!

## How can Member Splash help the Social Chair?

The Social Chair is the life of the party! Everyone wants to be doing what they are doing and having fun to boot! But the Social Chair wants to have fun too and lightening your workload makes things more fun for you! Member Splash makes it easy on you! Calendar Events that are setup once and then reused saves you time and effort. Reserve pavilions for the pools yearly events when you plan them, NOT when the paper calendar is posted at the pool in May! Color code & categorize your events so the Swim meet closures POP OUT for everyone to see. Do things quicker, better and have more fun next season!
